

## Interplast

### "INTERPLAST & ROTARY"

Money raised at our last Bunnings BBQ went towards Interplast surgeries! Many thanks to all who bought a snag for your support!

The club donated \$2,000 in May 2024 and will be supporting Interplast again this year. \$2,000 pays for an operation.

Interplast have been supporting a number of Bhutanese clinicians to travel across borders for specialised training in plastic and reconstructive surgery and accompanying care.

A volunteer team recently visited Bhutan to support the newly returned staff to treat patients who had been desperately waiting for care. Thanks to their dedication, across the two weeks:

- 🇧🇹 72 patients had a surgery consult
- 🇧🇹 38 received life-changing operations
- 🇧🇹 95 patients were supported with rehabilitation treatments!

Interplast would like to thank the donors and supporters who made this program successful: [Rotary Canning River](#) and [Rotary Club of Encounter Bay](#), Rotary Clubs of District 9810, [PolyNovo](#), and the friends and family of the late Dr Tim Proudman.

Read more about the success of this program on our website: [interplast.org.au/back-in-bhutan/](http://interplast.org.au/back-in-bhutan/)
