

Vocational Service: Mock Interview Program

An important project we run each year is Mock Interviews.

Regardless of the capacity and preparedness of the student being interviewed, we are left with the feeling that they have benefited from the process and from the feedback we give them. We have fulfilled the objective of giving the student more confidence than he would otherwise have when it comes to the real thing, and in so doing have played a significant role in their career planning, awareness of the world of work and job readiness.

In 2024 Pascoe Vale Rotary are conducting mock interviews with Antonine College on 19 September 2024. Students were well prepared and it was an inspiring session for all concerned!

Many thanks to Kevin, Robin, Bruce, Pat, Deborah, Bruno, Colin and Grant for participating.

Mock interviews with Pascoe Vale Girls College will be held on 24 October 2024
