CLUB NEWS

- ***PRESIDENT GRANT:***

- Despite some promising signs a week or so ago, it seems that it will be some time before we are able to meet in person again. For those that we haven't seen at our zoom meetings for a while, we would love to see you.

Unfortunately, the Moreland Mental Health Walk is now a local / virtual event, and our BBQ skills are no longer required. I urge you to join the virtual event. You get a free T-shirt (but only if you're quick) It's a great cause and given our current circumstances, is very much in the news.

A few of us went to RIMERN today, complete with all the appropriate permits, to install some racking. We achieved a lot, and I'm sure it was enjoyed by all involved!

RIMERN Working Bee! All with Authorised Work Permits of course!

- Despite the lockdown we were still able to assist in a project at RIMERN in East Brunswick putting up shelving for storage!
