conjunction with the Victoria Police, Moreland Local Area.

For the 3rd year, it is dedicated to the memory of Stephen Bull, a police officer who passed away on duty at the Fawkner Police Station. A dedicated officer who performed an invaluable service to the community of the Moreland area.

This combination between our Rotary Club and Victoria Police can only strengthen the bond between them and the community of Moreland, especially through the challenges of the past 2 years.

CLUB NEWS

- President Grant:
- ***Congratulations to Bruno D'Aprano for becoming the President-Elect. Bruno will be president of the club for the 2022-2023 Rotary year, beginning this July.***
- On Sunday, Bruno and I travelled to Benalla for the District Assembly. The program is put together by the incoming District Governor, David McPherson, and covers some of the topics that he sees as important for the upcoming year. The overriding theme this year was that for Rotary to be successful, we need get involved in or initiate a good local project. This will lift our profile in the local community, and will attract supporters. Some of those supporters will then become Rotarians.
- So that's the challenge for the final quarter of this year – find a good local project. Something we can get truly involved in. This is not an easy task. I look forward to your suggestions.

P.P. Pat:

- 14 Rotarians & family had a great day in the Blackwood and Trentham area last Sunday. Although threatening rain the weather was kind to us and we enjoyed the Garden of St Erth's gardens and coffee. The mineral spring was unfortunately closed due to contamination but a beautiful spot nevertheless.

Trentham and the Cosmopolitan Hotel was a great place for lunch. While others meandered the town I got to see the golf course. Can you guess who I travelled with?
