CLUB NEWS

- **President Grant:**

The end of the Rotary year is now rushing towards us, with Bruno busily organising the changeover. Please keep Friday, June 24 free – details to follow.

Now is the time to review the last 12 months, AND put into in the Annual Report. If anyone would like to contribute to the report, please send your photos, antidotes and reports to Chris Lang and myself, by the end of the month. All contributions greatly appreciated.

- **President Pat:**

The RIMERN EOFY Appeal is now on!

From one of the founding members of RIMERN, with my fellow Rotarians we have achieved amazing things since opening the doors of our warehouse last August. To date we have helped to fit out over 69 homes and repurposed over \$83k worth of stock - most of it destined for landfill.

The funds raised from this campaign will help with our operation costs. Remember, RIMERN is a Rotary project supported by many clubs whose members have donated their time and skills free as volunteers, working hard in their spare time to make our community a fairer and more equitable space. Every donation counts, every Facebook like counts & every share counts - please help us to spread the word. Thank you for your support.

- **Environment Chair Heather:**
Environmental Plogging report May 1st 2022

Three stalwarts came to the Plog session at Edwardes Lake Reserve last Sunday. We were blessed with fine weather and spent an hour gathering plastics, tins, discarded masks and plastic bottles.

We divided the litter into recyclable and landfill.

A number of passing public stopped to chat as we worked.

A big thank you to Grant and Pat who came along to share the load.
