CLUB NEWS

President Grant:

- As we get closer to the Rotary year-end, e-mail traffic and activity has slowed down enormously – or maybe it's going to someone else. A possible reason for this could be that many of the senior people were attending the Houston Convention, which I believe went extremely well. Preparations are well underway for the new year. Our own changeover is only a week away, and with it, comes the end of my year.
- This week we have Zainab Alnajar as our guest speaker. Zainab is no stranger to the club, having been involved with NYSF some years ago. A true success story, as I hope we will hear about on Thursday. A fitting final guest speaker for the end of an interrupted, but successful year.
- Well done to those who helped with the BBQ on Saturday, another very busy and successful day. And finally, a huge congratulations must go to Matt, Steve and Lois for another very successful raffle.
