CLUB NEWS

- **President Grant:**

- Last Friday, Pat, Bruno and I had a zoom meeting with May Haeder. May is the social policy officer at the Moreland council. Our aim was to better understand family violence issues, and see if there was an opportunity for us to assist. As you would expect, Family Violence is a very complex issue. May helped us understand some of the issues, the help available and the challenges facing support workers. A recent government review into family violence has made over 200 recommendations, with many still to be implemented. Thanks to May and the council for giving us a broader understanding of these issues.

- Student Youth Exchange:
We have received a request as follows:
Hi! To whoever may be reading this I am contacting you about Rotary Youth Exchange. My name is Rhiannon (Nakaiah) Kerr and I'm a year nine at Yea High School but my father lives in Coburg and I'm at his house quite often so I thought contacting you would be a good idea.
I'm (hopefully) heading to Denmark in January of next year and I need a sponsor club before I can lock in my place around August and get sent off.
I await your response and thank you for your time!
Tak og Farvel!
~Rhiannon (Nakaiah) Kerr
- To which I replied:
Rhiannon,
I am the Chairman of the Youth Committee at Rotary Club of Pascoe Vale. We have participated in Rotary Youth Exchange in the past but currently don't have Host Families available for the incoming Student Exchange which we are

obligated to include with any outgoing sponsorship. However we may be able to accommodate your requirements in some way as we are committed to support of any Youth projects in Rotary. I will look into it.

Meanwhile you may wish to contact other Rotary clubs locally ie. Coburg, Brunswick, Strathmore.

Who is your contact at Rotary Youth Exchange, and how far along is your arrangements with Rotary Youth Exchange?

Best regards,
Youth Chairman

And received a reply:

Thank you for your reply. I will/have contacted some surrounding suburbs such as Brunswick and Coburg but no response as of yet. I will contact Strathmore this afternoon.

My contact at RYE is Kellie (outbound@rye9790.org.au). I'm not too far in the application process as I am in need of a sponsorship before I can move forward with paperwork and such. I've filled out my preliminary application and I'm contacting sponsors often so I can get one before the cut-off date in August.

Thank you for your suggestions, I will definitely contact them.

Tak og Farvel!

We all understand Ukrainians need a place of peace. No one would want to be pushed out of their country. When I see what Rotarians are doing worldwide to support Ukraine, it makes me proud to be a Rotarian.
