This is [Maia Sandu](#), Moldova's president. Our president. Arguably, second coolest President in Europe (after Zelensky). Today she flew to Brussels to meet [Macron](#) and other big shots. She has no presidential plane, nor goes by private jet. Not even business class with a regular airline. In fact, she's taking [Wizz Air](#), a lowcoster, that will offer her a €3 sandwich for lunch. Cash or card. For the avoidance of doubt, it's not election time, and neither some sneaky, populist photo-op, as she's always been very thrifty with taxpayers' money and flown economy, without much publicity. Also, she is high-integrity, good at her job and a [Harvard University](#) graduate. We're in good hands. [#moldova](#) [#europe](#)
