CLUB NEWS

President Grant:

- On Sunday, I zoomed into the District AGM. This meeting is normally held in November, but for a variety of reasons, it was delayed until now. The meeting was well attended, with well over half the clubs being represented. I am pleased to report that the district is well managed, and is complying with all the necessary rules and regulations. However, there is one area that requires significant improvement. Not surprisingly, it is membership. Despite many initiatives, clubs still struggle to attract new members. Hopefully, the 2023 RI Convention in Melbourne will generate interest. Don't forget, tickets go on sale (at a reduced rate) on June 4.

Rotary has kept its commitment to eradicating polio and the world is now on the brink of this historic accomplishment.

We are positioned and ready to join, in partnership with others, to bring these resources and talents to vaccinate the world against COVID-19.

- **PE Bruno:**

Met a past NYSF student from 2017 this week.

We sponsored Zainab Alnajar from Pascoe Vale Girls College, & she wished to be remembered to the Club, & she would be interested to come & talk to us about where NYSF has taken her career.

She is now a qualified Podiatrist at PVH Medical at Kent Rd.
