This week's Post will be slightly different, as I find my iOS skills are far inferior to my Microsoft ones and I'm writing this on my iPad in Bali. Back to normal next week.

Last weeks speaker.

Last week we heard from Anthony Cianflone. Anthony is the newly endorsed Labor candidate for Pascoe Vale, and he outlined his plans for our electorate if he wins the election in November. Thanks Anthony.

Environmental and Sustainability Tree Planting Day report September 10th 2022.

On Sunday 10th September P V Rotary E+S met up with Preston Rotary at the Ray Brabham Park in Preston to assist Darebin Council with planting 1000 native trees and grasses there. The weather was kind and with the able assistance of Ben and AJ from Darebin Council directing us all, we managed to finish the job. Preston Rotary President Ruth and Enviro + Sustainability leader Lisa were part of the Preston group while PV Rotary was represented by Pat S (many thanks Pat) and Heather H. It was a most enjoyable morning, and I would like to think we will be able to work collaboratively on other environmental projects. Heather H - E&S Chair.
