THE PRESIDENTIAL DECREE

Last Week's Speaker

Last week we had the privilege of hearing Rotarian Joan Roose, from Preston Rotary. Joan talked about "The Jacob's Well Project" in India. Joan was inspirational in discussing the 120+ wells giving water to many below-caste communities. Not just water, but now the project has expanded to involve medical, educational & social assistance to these communities in India.

We were able to make a donation towards the project & hope to hear from Joan on her return from India.

Mission Statement - Jacob's Well hopes to break the poverty cycle by sinking freshwater wells in villages, establishing health and resource centres, and providing life-changing education for children from tribal villages and the slums. More information can be found at <https://www.jacobswell.org.au/>

Don't forget - Christmas baskets for RIMERN clients

I picked up a couple of baskets today which I will bring to next week's meeting. As a Christmas gesture, RIMERN is asking club members to donate non-perishable foods and household goods like soaps, hand steriliser, toilet paper, etc, anything which may be useful for someone just moving into stable accommodation. Everyone, please bring something to put in. I'm happy to take them back to RIMERN when full and hopefully fill a few more! Thanks, Heather

RIMERN (Rotary Inner Melbourne Emergency Relief Network) have joined with Prospect Wines to offer a selection of 6 great value wines – **Homemaker Voucher Vino** – to raise funds. More details at <https://prospectwines.com.au/product/rimern-rotary-inner-melbourne-emergency-relief-network/>

Pascoe Vale Girls College Mock Interviews 12th October

We visited Pascoe Vale Girls College to conduct mock interviews with 19 students who participated in a voluntary program run by Vocational Education Coordinator Kerry Moloney during their lunchtimes.

Despite a lack of preparation compared with when it was part of the curriculum the students generally acquitted themselves very well.

Thanks to Pascoe Vale Girls College for the welcome after 3 years due to Covid. They provided morning tea for us & we also met with the Principal & Vice Principals.

Also, a big thank you to our interviewers Bruno, Pat, Bruce & Robyn Waters. Kevin Fernandes, Vocational Service

Wisdom from older Rotarians

Last year I joined a support group for procrastinators, but we haven't met yet!

I don't trip over things, I do random gravity checks!

The biggest lie I tell myself is ... "I don't need to write that down, I'll remember it."

My people skills are just fine. It's my tolerance to idiots that needs work.

If God wanted me to touch my toes, he would've put them on my knees.

I've lost my mind and I'm pretty sure my kids took it!

Even duct tape can't fix stupid ... but it can muffle the sound!

Of course I talk to myself, sometimes I need expert advice
