Last Week's Speaker

Last week's meeting was cancelled due to poor weather

D'Prez meets with Probis

Had a very pleasant morning at the Probus Pascoe Vale meeting at Pascoe Vale RSL last Thursday.

I spoke to the club regarding how Pascoe Vale Rotary started the Probus Club in 1991, & how good it was to see all the members in attendance.

I then spoke about projects our Rotary club is involved with both here & overseas.

I mentioned that we did mock interviews at Pascoe Vale Girls College last week, and last month hearing & vision tests for kindergarten children in conjunction with the Medical students from Melbourne University.

-Various water well projects in Africa & India. etc.

The Probus President, Shirley Lawless presented me with a donation for our many projects!

Many Thanks President Shirley & Probus Members.

Sunday, December 4th for lunch at Postmistress Eatery, 71 Melville Road Brunswick West.

Book with D'Prez quickly as numbers are limited.

Don't forget - Christmas baskets for RIMERN clients

I picked up a couple of baskets today which I will bring to next week's meeting. As a Christmas gesture, RIMERN is asking club members to donate non-perishable foods and household goods like soaps, hand steriliser, toilet paper, etc, anything which may be useful for someone just moving into stable accommodation. Everyone, please bring something to put in. I'm happy to take them back to RIMERN when full and hopefully fill a few more! Thanks, Heather
