Christmas baskets for RIMERN clients

I picked up a couple of baskets today which I will bring to next week's meeting. As a Christmas gesture RIMERN is asking club members to donate non-perishable foods and household goods like soaps, hand steriliser, toilet paper, etc, anything which may be useful for someone just moving into stable accommodation.

Everyone, please bring something to put in. I'm happy to take them back to RIMERN when full and hopefully fill a few more!

Thanks Heather

Hi All

I would like to invite you and your Club members to join us next Tuesday at Windy Hill for Dinner in the Bistro at 6.30 pm before going upstairs to listen to a fascinating presentation by Fiona Demark.

What's on this week

This week's speaker is Pascoe Vale candidate at the next state election, Tom Wright.

Quote "Even when it's cold and raining, it's a good day to be talking about the Liberal Party's positive plans to fix our health and cost of living crisis and invest in local schools."

Come along and listen to Tom this Thursday, 29/9.

Fiona will share her real-life experience overcoming adversity, building resilience and facing the world head on. Fiona has been legally blind since childhood and that has shaped the person she is today. We look forward to hearing about her journey - Friends, partners and other clubs very welcome.

If you are able to attend, please let us know for catering purposes.

Thanks, and regards,

Phil Lusher, Rotary Club of Strathmore at sgp_pal@yahoo.com

A doctor, lawyer, and a Rotarian in charge of fundraising all die and arrive at the Pearly Gates about the same time. St. Peter tells them they may each have one thing to take with them to Heaven.

The doctor is first, and asks for \$1 million. This is given and proceeds to enter Heaven. The lawyer, not to be outdone, asks for \$2 million. "Very well," say St. Peter and opens the gate to Heaven for the lawyer.

Finally it is time for the Rotarian, who had just finished a fundraising project for The Rotary Foundation. St. Peter asks him what he would like to take to Heaven. The fundraiser moves up very close to St. Peter, and in a soft voice asks, "It it's not too much trouble, could I just have the names of those two people who were ahead of me in line?"

Rotary  

Hi All,

As many of you are no doubt already aware (if you follow Susie's Facebook posts), I collected our truck yesterday and it is now ensconced at the warehouse - ready to start work!

But to get it functioning efficiently we need a regular and consistent COLLECTIONS TEAM. And quite a few more on the list than we currently have for our Wednesday & Saturday rosters. Until we get a reasonable roster established, we will remain with just the Wednesday & Saturday collections - but hopefully that will be for just the next few weeks.

Can you spread the message though all of your club members that we are looking for more volunteers, for this essential part of our operations, on **a regular commitment basis**. One day/month or one day/week - it doesn't matter, every little bit will help!

To streamline our process can I ask that all those interested in either Driver or Jockey roles send an email via volunteers@rimern.org.au indicating the role (can be for both) & commitment time(s) that they are available. Also please advise if you are prepared to be a 'RESERVE' to be contacted to replace someone who is unavailable at short notice for some reason.

Even if you are already volunteering at the warehouse on a regular basis, but would like to be included on the truck roster, please send in a notice via volunteers@rimern.org.au. This won't exclude you from your regular shifts but may just become part of what you do on the day.

For those wishing to become drivers the following policy will apply:

1. Copy current Driver's Licence provided
2. Confirmation of ZERO Demerit Points
3. Attend truck familiarisation & training session
4. Logbook to be completed for each & every trip

The first truck familiarisation session will be in early October. Only those registering as 'Driver' will be sent an invitation to this first training session.

Regards, David Gorman, Treasurer, RIMERN
