## This Week

Greetings fellow Rotarians.

What a busy week for our club. We held two BBQs over the weekend – one at Fleming Park and one at Westbreen PS. Concurrently, preschool hearing and vision testing at Sussex Neighbourhood House was also running. Many thanks to all those Rotarians, partners, and others who gave their time and energy to ensure all events were a great success. A special mention to Denise for her outstanding food preparations for the Melbourne Uni students at the hearing test site. Also to Steve and Lois who spearheaded the BBQ's. I thank you all for your sterling work.

The mock interviews at the Pascoe Vale Girls School were also held. Students had an opportunity to experience what a real job interview may be like, and no doubt many learned a few pointers for when the real thing happens. Thanks to Kevin for his organization of this event.

Our combined DG visit last week was also a great evening with members of Coburg, Moreland, Strathmore and Pascoe Vale all gathering at PV RSL to share a meal and hear DG Neta Kirby's presentation. There were at least 30 members who came and it was heartening to see everyone mingling.

Our AGM is coming up on Nov 23rd and this week we are having a social night at William Angliss Institute to promote End Polio Day. Everyone coming please wear something purple or red.

Stay safe and well,

Heather Harris PHF, President, Pascoe Vale Rotary

## Rotary Club Darwin

helping junior golfers in the Territory

## What is Rotary? Part 2

Golf Australia NT has received an amazing scholarship deal from the Rotary Club of Darwin, to provide two junior golfers the opportunity to develop their game.

The Rotary Club of Darwin has committed to providing \$3000 to two of Golf Australia's Northern Territory Junior Emerging Talent (JET) Program participants, on an annual basis, to travel to Queensland and attend various golf events and training programs.

The JET program is designed to give junior golfers in the Northern Territory a pathway to help them grow as golfers and young people in the community.

JET Program participants already receive high-performance coaching, sports psychology, and exposure to Golf Australia events, but this new scholarship deal will allow these opportunities to be taken to the next level.

What sort of projects? Well, some clubs will have a BBQ to raise money, others will have a "Weekend Market", or supervise the parking at a "Sports Day". All sorts of things.

Any adult can join Rotary or come to a Rotary meeting for a visit, just ask another Rotarian.

## Pascoe Vale Rotary – Out and About

The club was very active last weekend, with fundraising activities at Westbreen Primary and at Fleming Park, and Hearing Tests in Pascoe Vale.

### Westbreen Primary School.

An extremely busy day and a great success for Westbreen Primary School. I would like to thank Gerard, Chris, and Lois for their help. A very big thank you to Grant for towing the trailers.

### Fleming Park.

A great day was had by all, except for the gust of wind that nearly blew us and the marquee away. Lots of activities, people, and dogs.

I would like to thank Steve, Peter, Colin, and Aaron for all their help.

## Exchange Student Update.

Phoebe has found a placement and will join a family near Lille in France.

She will be leaving on Tuesday, November 7<sup>th</sup> returning on Saturday, January 20.

Good Luck Phoebe, hope you have a great time!
