## ## NO MEETING THIS WEEK ##

Due to the Grand Final, this week's meeting has been cancelled. All are welcome for dinner at the RSL, as some members will be meeting for a social get-together

Greetings fellow Rotarians.

Hard to believe the end of September is fast approaching. Spring is well and truly here and no doubt many have already planted their tomatoes! Where has the year gone? As I watch my grandchildren grow, I am very aware of the passing of precious time.

The next few months will be very busy for Pascoe Vale Rotary with:

- \* Tree planting in memory of PDG Anne Reid at the Rotary Peace Arboretum near Kilmore at 11 am on September 30th, (RSVP Marg Crisp by 27th September for catering)
- \* Lift the Lid on mental health walk on October 8th, at Coburg Lake
- \* DG combined clubs visit on October 12th,
- \* Mock interviews at Pascoe Vale Girls School on 17th and 19th October,
- \* Children's hearing tests 21st October,
- \* Combined Polio Day/William Angliss Institute dinner on October 26th (wear something purple or red)
- \* PE training 26th November
- \* BBQ's booked for October 21st, Melbourne Cup Day and December 30th.... Whew!!! We will be needing all hands on deck to ensure we can cover these events so be prepared to put your hand up to assist if asked.

Stay safe, well, and happy,

Heather Harris PHF, President, Pascoe Vale Rotary

Following the Regionalisation Pilot Revote undertaken by clubs of District 9790 and after an independent audit and scrutiny of the votes, I can announce that the result was a strong ‘No’ vote of 86.2% from the District clubs. As per the motion that the clubs voted on, the “no vote will remove D9790 from the Regionalisation Pilot and enable D9790 to create its own model whilst observing and trialling the best aspects of the Pilot”
